## Becoming One, Being One

*I therefore, the prisoner in the Lord, beg you to lead a life worthy of the calling to which you have been called, with all humility and gentleness, with patience, bearing with one another in love, making every effort to maintain the unity of the Spirit in the bond of peace. There is one body and one Spirit, just as you were called to the one hope of your calling, one Lord, one faith, one baptism, one God and Father of all, who is above all and through all and in all. Ephesians*

The word that leaps out of this passage of scripture is “one.” Bear with *one* another. One body. One Spirit. One hope. One Lord. One faith. One baptism. One God. I shake my head when I hear people question and challenge the concept of *unity* in our scriptures – “making every effort to maintain the unity of the Spirit in the bond of peace.” My blessed siblings in Christ, this is why we are here. This is why we exist. We are the one body of Jesus Christ, incarnate and empowered by the Holy Spirit, to participate in God’s holy work of the transformation of the world. We do this together. In the spirit and teaching of John Wesley -- *Solitary religion is not to be found there. “Holy Solitaries” is a phrase no more consistent with the gospel than Holy Adulterers. The gospel of Christ knows of no religion, but social; no holiness but social holiness. Faith working by love, is the length and breadth and depth and height of Christian perfection. (Hymns and Sacred Poems, 1739)*– where he explains that we cannot be truly Christian in isolation from a faith community, we need each other. The trend toward personal and individual holiness so prevalent and popular in recent times is completely foreign to the understanding of ancient Hebrew culture, early Christian culture, and our Wesleyan heritage. We are Christian together.

In recent months, unity in the church has become not only a topic for discussion, not only the battleground for debate, but the focal point of a real effort to divide the church. Again, John Wesley offers clear and precise opinion on the matter: “It is evil in itself. To separate ourselves from a body of living Christians with whom we were before united, is a grievous breach of the law of love. It is the nature of love to unite us together; and the greater the love, the stricter the union. And while this continues in its strength, nothing can divide those whom love has united. It is only when our love grows cold, that we can think of separating from our brethren. And this is certainly the case with any who willingly separate from their Christian brethren.” (On Schism, 1786) There is no goodness or grace in separation, only an admission that we lack the love that can unite us together.

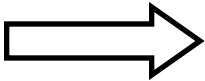

United Methodism proudly offers an open communion table. We do not deny the grace and acceptance of God to anyone who wishes to partake of this holy meal. And in our standard liturgy, we proclaim and request together that “through the power of your (God’s) Holy Spirit, make us one with Christ, one with each other, and one in ministry to all the world.” This is who we are.

But I am concerned about how different our actions are from our words and our core values and beliefs. Do our racial and ethnic minority people feel they are one with us? Do many women feel they are truly one, with equal voice and power and respect as many of their male counterparts? Do our gay and lesbian siblings feel they are one with us? And even because of our theological and political differences, I question how many of our same culture, same background, same gender baptized children of God feel they are one with each other? In a Christian fellowship where God works constantly to forgive, redeem, unite, and reconcile people, we choose instead to focus on our differences. In a denomination defined by prevenient, justifying, and sanctifying grace, many choose instead to focus on sins, and faults, and failings.

My distress over these realities led me to create a Bishop’s Task Force on a Wisconsin way forward – leadership dedicated to discerning a Wisconsin Option as alternative to schism and split. We cannot solve all the challenges and problems facing our church today, but we can work together to create a space for prayer, discernment, humility, and hope – a grace margin – that allows us to slow down, not be overly reactive, and to engage with one another in mutual respect and regard, to hold each other accountable to the highest standards of civility and dignity, and to put our Christian faith and values into action. We want to be a people who do not attack, do not insult or assault, and who “do no harm” in the ways they treat one another. We are making a commitment to “do all the good we can,” embracing a Golden Rule code of conduct, and seeking to think the best of one another instead of the worst. (see next page)

Make no mistake, the Task Force is not doing this *for* the conference. They will be leading the conference – all of us together; clergy and laity, younger and older, of every status of education, economics, ethnicity and heritage – to make a fundamental paradigm shift. The Wisconsin Option is a choice of unconditional love and forgiveness. We will live faithfully into the Wesleyan understanding of God's grace for all who confess Jesus as Christ and Lord. We will hold our disagreements as a sacred trust – to love those with whom we disagree and formerly judged as beloved children of God.

Let us pray for God's presence and the guidance of the Holy Spirit as we truly, deeply, and honestly seek healing, wholeness, and oneness as the body of Christ. Let us spend time in contemplative reading of our scriptures and the teachings of John Wesley. Let us enter into true and faithful Christian conference and conversation – both with those with whom we agree as well as those with whom we don't. By God's grace, God's will is done in us, and together we can witness to God's miraculous work of grace. Thanks be to God.

Grace and Peace, Bishop Hee-Soo Jung

#### Qualified Charitable Distribution as a Giving Option

Do you have a traditional IRA from which you must take a Required Minimum Distribution? Did you know that you could direct all or part of that distribution to your church or other qualified charitable organizations, and shelter that distribution from your income? Well, you can. The process is considered to be a **Qualified Charitable Distribution**, and is considered to be a non-taxable distribution to the extent that the proceeds go directly to the qualified charitable organization. For more information, contact Randy Klink, GUMC treasurer; e-mail: [rklink@centurytel.net](mailto:rklink@centurytel.net); phone: 715-866-5303.

## Lewis News

Charles E Lewis Days was a great success. Thanks to everyone for all the endless hours of work starting the Tuesday before and until clean up when everything was done. Thanks to everyone who took the time to attend our festivities. The tent which we have rented for years now belongs to us....so guess that means many more years of celebrating Charles E Lewis Days at Lewis.

The Blood Mobile was held on the Saturday of Charles E Lewis Days; the goal was 38 units of blood and 40 units were donated. Thanks to all who donated .....we never know when the life that gets saved may be our own.

We are moving our Admin. meeting time to a half-hour later with potluck at 6:30p.m. and board meeting at 7:30 which will allow for those working members to attend the meetings.

The 75 and Older Dinner will be Tuesday, September 24 at noon. All Lewis Church members 75 and older are invited to attend.

The Frederic Community Education Program has scheduled a bike ride on September 21<sup>st</sup>. They will be stopping at our church to use bathroom facilities and snacks.

A sign will be posted designating the location of our new Defibrillator.

The Gospel Jams will begin on Saturday, October 5<sup>th</sup> from 6:00 – 9:00 p.m. Come and enjoy the music, or bring an instrument and jam, or bring a song you want to share and someone will accompany you. It is a great night of gospel music and time for fellowship at break with coffee and goodies.

CONGRATULATIONS to the Danbury Church in celebrating 100 years. Thanks for the many dedicated people who “keep this church together”. May God continue to bless their congregation with many more years of service to the Lord and their community.

### **Automated External Defibrillator**

**Lewis Church is now equipped with an AED Defibrillator. It was provided in memory of John Boyer**

(In case you don't know) An automated external defibrillator is a portable electronic device that automatically diagnoses the life-threatening cardiac arrhythmias of ventricular fibrillation and pulseless ventricular tachycardia, and is able to treat them through defibrillation, the application of electricity which stops the arrhythmia, allowing the heart to re-establish an effective rhythm.

### Meet a Member

**Keith and Jan Carlson** come from large families! Jan is one of 11 Moser kids (whose names all start with "J") raised in the former Mattson School where brother Jim and Laurel live now. In fact, eight of the siblings live in the area! Keith is one of 10 children raised on the grain and cattle farm his father and grandfather homesteaded in Jud, North Dakota. They met in St. Paul in 1989 and were married in Webster in 1995.

Jan was an assembler at Unisys, a defense contractor, for 30 years. After she was laid off she worked at Burnett Dairy for 15 years. Keith's bad back (3 surgeries) may be due to 11 years lifting quarters of beef onto railroad cars and semis. He worked in a factory and with rental properties in the Cities, and then also at Burnett Dairy.

After the Siren UMC helped them recover from the 2001 Tornado, they said "This is the kind of church we want to be part of." They were blessed to make it to shelter, but lost their barn, garage, windows in their home, and several cattle on their 120 acre farm. They came to Grace when they moved to Webster.

Jan and Keith have a blended family of two boys and a girl, six grandchildren, one great grandchild and another due in October. They spend winters in Apache Junction AZ, with a view of the Superstition Mts. They play cards, bowl, shuffleboard etc. and hike in the mountains. When "home" they catch up with family and friends and go to doctor appointments!

## Siren News

After our August UMW luncheon, we listened to our speaker from the local Salvation Army who told us of the services Burnett County received. Of special note is that all the money collected in the kettles must stay within our county.

Our Seventy Five and Older Dinner was an event to enjoy a wonderful meal and renew old friendships. We "Oldsters" wish to thank those who made it a memorable event.

Also we learned that of our Bag Sale clothing was sold or donated to charitable organizations to help others.

Then we discussed gathering items for our Shoe Box Mission. UMW voted to provide money for needed gifts. We especially want supplies for the 12-14 year old category, possibly marbles, softballs, handheld toys (no batteries needed), soap, washcloths, and large socks.

Later in the month the Nominating Committee convened. We are happy to report that all leadership positions for 2020 have been filled. When elected, our new President will be Ginger Baker, Vice President, Ruth Stickland, Treasurer, Carol Titel and Secretary, Judy Roe.

## Danbury News

### HAPPY BIRTHDAY, DANBURY UNITED METHODIST CHURCH – 100 YEARS SERVING WITH GOD

It's finally here! Since Spring, our Worship services have periodically included brief reports of interesting facts from our past 100 years: the joys and hardships of making a handful of faithful worshippers into a new Church—the first steps of faith in erecting the building we still use—constructing and paying for a pastor's residence (next door)—beginning a Sunday School that eventually grew to demand an addition to the Church building—the strength afforded by joining our lives to those of other Churches—Church life in general—which sounds astonishingly like many of our family histories! We celebrated well on our 90<sup>th</sup> birthday, determined to celebrate again in ten years. *Now, as in any family, we eagerly look to our 100<sup>th</sup> year party while sadly but gratefully remembering and missing those who were with us in 2009, since departed from this earth to rest in the arms of the God they so faithfully served.*

**THANK YOU, BISHOP HEE-SOO JUNG**, for your inspiring Message on Sunday, August 4. Although you will be out of the country in September, you saved a Sunday for us, and we so thoroughly enjoyed having you and Mrs. Jung, the Reverend Im Jung, among us, along with our District Superintendent Barbara Certa-Werner and daughter Hope. Don and Sue Rasmussen offered Special Music! Thanks, also, to those who coordinated and brought Brunch for after the service. The day was a special blessing.

### OUR COMMUNITIES AND SISTER CHURCHES ARE INVITED TO JOIN OUR CELEBRATION

**SATURDAY, SEPTEMBER 14 at 5 p.m.:** With help from church members, Wayne's Foods, and the Danbury Volunteer Fire Department, *you may have a brat, chips, lemonade and cookies (on us) under the tent in front of our building (inside if weather is not good).* At 5:30, SIT BACK AND ENJOY Gospel Music provided by "**Glory Train**" (an accomplished group of musicians and singers who enrich the Lewis Memorial UMC "JAM" on the first Saturday evening of each month from October through April. The group, gaining in popularity in this part of the state, is more and more in demand—we are fortunate and honored to have them with us on the 14<sup>th</sup> as a special homage to the kind of music which most certainly nurtured our forebears). *Our Church building will be open from 5:00 to 7:00 for those who want to wander around and look at pictures depicting how we've lived, and see how we're adapting the building to our needs.* Thanks, Marcus Nelson, for many copies of pictures and documents—unfortunately, a great number of such mementos were destroyed by house fires and unfortunate happenings in the private homes where

they were being held for safe-keeping.

**SUNDAY, SEPTEMBER 15 at 8:45 a.m.:** WORSHIP AS USUAL WITH ADDED JOY AND CELEBRATION: Tradition dictates a hymn-sing! The Reverend Barbara Certa-Werner will deliver the Message and Special Music will be a piano rendition of "Wonderful, Merciful Savior," by Ethan Carr with trumpet accompaniment by Alex Carr. The Carr brothers--grandsons of Charlie and Kathi Kramer, will represent youth who have provided music at Worship during the past 100 years. After the service, we'll gather for coffee and doughnuts downstairs—*no matter how the faces have changed, the joy of Christian Fellowship remains as it was in 1919.*

TWO PAGES OF OUR CHURCH'S HISTORY appeared in the August 2019 edition of "Flashbacks," a publication by the Wisconsin Conference historical archives. They had us in the queue for our 100 years, and contacted Arne Enslin for more information, asking for permission to also publish Barb Enslin's poem to our Church building—they found it in history from our 90<sup>th</sup> Birthday celebration. *A copy of the write-up about Danbury UMC will be on the mainfloor bulletin board.*

**FROM THE PAST MONTH AND INTO THE NEXT:** DANBURY AREA CHURCHES sponsored a Blessing Service for First Responders and their vehicles on Sunday, August 14 at the Webster shelter house. Pastor Eddie Crise and Father Randy Knauf planned the service, which included musical accompaniment by Pastor Earl Leach of Woodland Wesleyan Church and by Mike Nazzal of the Catholic Churches. Rev. Arne Enslin gave each group a commemorative card for their bulletin board. A potluck meal followed.

**BIBLE STUDY BEGINS MONDAY, SEPTEMBER 16, 1 p.m., in The Upper Room—to brainstorm and plan for the next nine months.**

**Thank-you: Kathy Swingle**, for designing and printing beautiful bulletin board cards for the Blessing Service and for designing flyers that serve as invitations to our Celebrations on Sept. 14 and 15; **Sharon Heckman**, for subbing as Admin Assistant in the Church Office for a week; **Gladys Benson**, for adding grace and your perpetual patience to those who interrupt your busy days by calling and saying, "Gladys, help, my keyboard is doing strange things that I DID NOT ask for! (And for the countless other ways you meet our needs by listening and helping us sort through whatever our congregations ask of you). **Linda & Larry Hoyer**, for giving and installing a new mic and light for our sanctuary lecturn and the sign post for our new sign!
